Rapid Referral for SINGLE LESION CHECK - Suspected or Confirmed

☐ Atypical/Dysplastic Melanocytic Nevus

☐ Squamous Cell Carcinoma

☐ Melanoma

☐ Basal Cell Carcinoma

☐ Undifferentiated Lesion

Location of Concern: _____ Has a biopsy been performed? ☐ Yes ☐ No — If yes, please attach.

The RapidDerm program is to assess a single lesion with the concern of potential skin malignancy. Assessment of any additional issues to the SINGLE LESION OF CONCERN will NOT be performed. We reserve the right to request an additional referral if required.

Hours of Operation (Walk in):

Monday - Friday:

9:00 AM to 12:00 PM

Wait times:

Patient wait times can range from 30 minutes to 4 hours. If no dermatologist is available, the patient may be booked the next business day.

Additional information:

Please be aware that your issue may initially be addressed by a General Practitioner with a focus in dermatology. It's important to note that if a patient's condition extends beyond their professional scope, the patient will be promptly referred to our in-house dermatologist. For cases where you are specifically requesting the dermatologist's attention, please proceed with submitting your referral via our standard referral process. For any inquiries regarding the Rapid Access Program, feel free to contact us at operations@rejuvgroup.com.

Please bring a copy of this referral form in addition to your OHIP card and any additional identification.

This clinic has a zero-tolerance policy for verbal abuse toward any personnel. Any such behaviour will result in immediate discharge of the patient from the office.
